P.O. Box 68080, Crowfoot RPO
Calgary, AB T3G 3N8

April 8, 2011

Dear Supporter,

On November 4, 2011, the Nakiska Alpine Ski Association is hosting a fundraising event in Calgary. As part of this entertaining evening, there will be a silent and live auction with proceeds going to help offset the formidable costs involved in the pursuit of athletic excellence. Donations of products or services will be most gratefully accepted. Tickets for the event are being sold by our club members and we hope to attract a gathering of five hundred friends, sponsors and supporters.

The Nakiska Alpine Ski Association is committed to supporting high quality and reasonably priced ski racing and training programs for Calgary-area children aged four and up. We are comprised of four ski racing clubs that work in partnership, each tailoring their programs to a specific age group and providing a complete development pathway across the clubs with resources efficiently and effectively allocated for the benefit of the athletes at every level.

Our clubs deliver programs where athletes strive to reach their athletic potential and develop a life-long passion for skiing. We provide a fun, inspirational and ethical place where participants are challenged and rewarded, allowing them to build confidence and self-esteem as they progress in the sport. Our team of dedicated and professional coaches, many of whom are former racers and graduates of our club programs, promote safety, fair play and good sportsmanship with all of our young athletes.

As a collection of not-for-profit organizations, we depend on the dedication and hard work of our volunteer parents and supporters. The membership fees that our clubs collect represent just 40% of the actual expense to deliver the program for each skier. The balance of funding is acquired through fundraising efforts such as this silent and live auction which is our largest fundraising project of the year and helps us to keep our programs accessible to as many local families as possible.

Thank you in advance for your contribution to this worthwhile cause. We will advertise that your item was generously donated or sponsored by you with a sign on the auction table. In addition, your name will appear on the list of sponsors that will be distributed to every guest at the event. Your support makes a very significant impact in the success of our athletes as they strive for their athletic and competitive goals.

To make a donation or obtain further information, please refer to the attached form.

Sincerely,

Beth Ordman
